## Welcome

### KCOM IT DROP-IN SESSIONS

The latest IT Drop-in Session at the KCOM Learning Zone in Carr Lane on Thursday 15<sup>th</sup> July was another success. The Senior Tigers who attended included new and regular attendees. One of the new attendees was Ken Gofton and this is what he had to say :

“ I went for the first time to KCOM for internet help between 10 am & 11 am. I was helped by a guy called Louis. Great service and very helpful to an old codger like me”.

I must hasten to add that I did ask Ken if I could use the word codger in my article!

These sessions have been of great help to those who have attended. The sessions can be used to fix problems and to learn new skills face-to-face with KCOM Customer Champions.

The next session is scheduled for **Monday 19<sup>th</sup> August**. Click [here](#) for more information..

## Our AGM

**Thursday, 1<sup>st</sup> August**

**1.30 pm (note the earlier start)**

Following the formal business, we have a full programme to look forward to, especially a visit from our new Head Coach,

**TIM WALTER**

## Our next Outings:

**Sprotborough River Boat** on Thursday, 15<sup>th</sup> August

**Liverpool** on Thursday, 12<sup>th</sup> September.

This trip has replaced the *Anderton Boat Lift*, which is currently out of action. Barbara is taking bookings for the alternative, a day trip to Liverpool.

You can cruise on the Mersey, visit the iconic Royal Liver Building or the Beatles Story Museum. See the new Everton Stadium as it nears completion or visit Tate Liverpool. It is a city full of surprises and will not disappoint.

**National Arboretum + The Wedgewood Factory** on 17<sup>th</sup> October. There are only a few places left (Babs)
